A screenshot of a mobile application interface titled "Treats Subscription". At the top, there is a search bar with a magnifying glass icon, a filter icon, and a "Cart" button with a notification badge showing "2". Below the cart, a category "Hair loss" is listed with a close button. Two product cards are visible: "Gummy Vitamin" (a clear bottle) priced at \$16.25 and "The Shampoo+" (a black bottle with a pink band) priced at \$19.50. A third product card, "Vitamin C", is partially visible below the others. The background features a portrait of a young man with curly hair.

A detailed view of the "Gummy Vitamin" product page. The product image shows a white plastic bottle with a white cap. The price is listed as \$16.25 for 60 gummies. A quantity selector shows "2" with minus and plus buttons. Below the price, the text "About the product" is followed by a description: "Just eat them once-a-day to start to see hair loss improvements. Some say they're better than candy!". At the bottom, there is a "Add to cart" button and a heart icon for favoriting.

Good morning, James!
